

## Year 1 Test-Out Exam Request

**How it works:** If you're an apprentice with at least 2,000 documented on-the-job hours and you feel like you have enough knowledge and experience to begin in Year 2 of IEC's program, you have the right to take a "Challenge Test" in order to skip Year 1 and begin in Year 2.

**What IEC Needs in order to give you this test:** The fee to take the Year 1 test through our Online Training Center is \$50. IEC will invoice you for this amount and send you a link to pay electronically online. You will also need to provide the contact information for your supervisor or an office employee of your company. IEC will contact that person to arrange a time for you to take the exam under their supervision. IEC also needs some basic information from you, which is at the bottom of this page.

**About the test:** You are allowed to have scratch paper, pens and pencils, calculator, and a code book. You will be given an online access code via email and will need to create an account on our training website. Once you have created that account you will be given access to the exam at the time arranged by IEC and your supervisor. The test is 80 questions of multiple choice and takes most students 2-3 hours. The cut-off is 4 hours. You will need to score at least 70% in order to pass. You will see your results immediately.

### STUDENT INFORMATION/REQUEST TO TEST

First Name \_\_\_\_\_ Last Name \_\_\_\_\_

Street Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ ZIP \_\_\_\_\_

Email Address \_\_\_\_\_ Cell Phone \_\_\_\_\_

Employer \_\_\_\_\_ Supervisor \_\_\_\_\_

Supervisor Cell \_\_\_\_\_ Date \_\_\_\_\_
